RE: Ana Maria Kozlovac

To whom it may concern,

I write to confirm that during the period December 2015-January 2016, Ana Maria Kozlovac has translated from **English into Croatian** in the area of European and interregional cooperation.

Ana Maria provided a document of high linguistic quality with consistent terminology within the agreed timeframes.

Please don't hesitate to contact me should you require further information.

Yours faithfully,

Chiara Damiano

Project Coordinator
